

Short Stories Collection : Nobody Thinks About Injustice Until They Face it Themsleves

MEDA Foundation

Description

For anyone who has ever said, â??Thatâ??s not my problem,â? these stories offer a quiet invitation to look again. Whether youâ??ve felt misunderstood, judged others too quickly, or simply want to understand the world more deeply, youâ??ll find something meaningful here. These real-life experiences from people across the globe gently remind us that awareness grows when comfort is shaken. Read them not to feel guilt, but to open your heartâ??to walk a mile in someone elseâ??s shoes, and maybe, to soften your own stance along the way.
